November, 2011

Big SIR sez:

November is the month when we honor military veterans and when we give thanks for all the blessings that we have received. In 1919, President Woodrow Wilson proclaimed an Armistice Day on November 11 to honor those Americans who died in World War I. It became an annual commemoration in 1926, and a legal holiday in 1938. In 1954, Congress replaced "Armistice" with "Veterans" and it has been known as Veterans Day since, to honor all military veterans. I salute all of the military veterans in Branch 5, many of whom are members of what Tom Brokaw called the "greatest generation," the group that served with valor in World War II. Thank you for your distinguished service.

Branch 5 will give thanks and celebrate Thanksgiving at our next luncheon on Wednesday, November 16. It will be an opportunity to honor our military veterans and to recognize the members of Branch 5 who have volunteered to serve the branch as officers in 2012. We will swear in the new officers after dessert. Thank you to all of them for coming forward to serve the branch next year.

At the Branch Executive Committee (BEC) on October 19, it was moved, seconded and unanimously passed that Sir Ken Liddicoat be nominated as our next Honorary Life Member, joining Sirs Al Gardner and Ray Odell. Quoting from Rule 24, "The purpose of the HLM is to recognize exceptional and extraordinary service by a member to SIR." After the Regional Director and the State President approve the nomination, an appropriate award ceremony will be held, likely next year.

The BEC meets in the Pro Shop Con-

ference Room at 10:00 am each month, before the Branch luncheon meeting. Attendance by the Branch Officers and Directors is required, however the meeting is open to any Branch 5 member who wishes to attend. If you are new to SIR, want to get to know the officers, or wonder what goes on "behind the scenes"; drop in at the BEC meeting. The BEC does not meet in July or December.

Don't forget our Holiday Party on December 14. Guests and spouses are invited. There will be musical enter-

Minutes of the Meeting of the Executive Board

SIR BRANCH 5
EXECUTIVE COMMITTEE MEETING
OCTOBER 19, 2011

1. The meeting was called to order at 10:05 a.m. A quorum of 7 committee members were present. Those in attendance were: Wayne Richter-Assistant Secretary, Fred Van Kirk-Director, Ken Liddicoat-Director, Don Harryman-Treasurer, Al Stratz-Little SIR, Howard Trudeau-Big SIR, Paul Butler-

Membership, and Art Schmid- Secretary. Ed Nazzal-Webmaster arrived later.

2. The minutes of the last meeting were approved as presented. The Secretary was requested to provide a status report for our branch on each Senior, Super Sr. and Century SIR Awardee as to whether they are Active, Inactive, Deceased or status Unknown. All changes to the status of the above Awardees, as well as to our Honorary Life Members (HLM's) are to be reported to the State Certificates Chairman on a timely basis. The procedure to be followed for this data submission is to follow the directions of the Oct. 17, 2011 e-mail from Dwight Sale which are provided as an attachment to these October 19 minutes.

3. Big SIR-Howard Trudeau: The Branch goal for new active members for this year is 10. We have inducted 7 new members to date. The total number of active members on this date is 78, our goal for year-end is 98. We have 15 members who are under age 75, and 15 who are over age 90. We need three guests today, if the Branch is to meet its goal of 10 new members for the year. Joe Ames, a long-time active member has resigned. He will be missed.

The Honorary Life Member (HLM) position was discussed. Based on his very active service, Ken Liddicoat was nominated to receive this recognition. The nomination was seconded and carried, with thanks given to Ken. Thanks are given to Ed Nazzal who does our web page, a copy of which is attached. There will be no business meeting in December, but the December Holiday party will include an extended menu, a raffle of special door prizes and a musical trio.

4. Little SIR-Al Stratz. Al attended a State Big SIR Training Meeting in Vallejo which included three speakers. Historically, state SIR membership rose quickly to 30 thousand and then flattened out.

Some suggestions: Attendance of wives at meetings has provided increased networking. Good direction should be given to the Little SIR at the beginning of his service. Richmond has the high-

est attendance. A copy of data provided in a Breakout Session (Form 27) is on file. We could consider inviting general members to the Executive Board meeting. Inactive members terminated 8/24/11: John Ackerman, Wendell Alexander, Lloyd Ellis, Charles Jacobson, George Kerber, Clifford Maurer and LeRoy Thornton. Resigned: Elias Botto and David Gielow.

Al reported that all contribution checks have been received. This is the first time in many years that 100 per cent of the active members have made their annual contribution.

This month's speaker is a member of the FBI. Our speaker next month is a very knowledgeable retired HP executive who along with Bill Hewlett developed the LED.

5. Monthly Cash Report-Don Harryman. Our beginning cash balance was \$5002.05 and the ending balance for the month was \$4960.09. The detailed report is on file.

6. Membership Report-Paul Butler. Joseph Ames, #258, just resigned and will be missed. Membership Status: 75 Active, 1 Inactive and 4 Widows on the mailing list. Our mailing goes to 59 members by e-mail and 17 by conventional mail. The complete report is on file.

7. There being no Old or New business, the meeting was adjourned at 11:07 a.m.

Respectfully submitted,
Arthur Schmid
Secretary

**CompuSIR**  
**Chairman,**

**Jim Dinkey, Branch 35**

The CompuSIR group meets the second Wednesday of each month at noon for a brown bag lunch at the **Palo Alto Elks—4249 El Camino Real, Palo Alto.**

The following speaker(s) are currently scheduled:

**2nd Wednesday, November 9, 2011, 12:30 p.m. at the Palo Alto Elks Lodge, 4249 El Camino Real, Palo Alto, CA 94306.**

**NO COMPUSIR MEETING IN DECEMBER.**

**Topic - Whatever Hank Will Talk About**

**Speaker - Hank Skawinski, Owner/Manager, Datawise**

Yes, that topic is flippant, but it's also true, because regardless of the title we give it, Hank will talk about what Hank will talk about - knowledgeably and in detail. It's likely to be about the latest things he's learned, and be based on his day-to-day experience dealing with the problems of maintaining, building, and using computers and related devices. He'll likely have something to say about Microsoft, about Linux, about some new product that has grabbed his fancy, and about something that has peeved him that shouldn't have.

Hank builds computers and maintains hundreds of computers for places where performance is critical. He's the *über-guru* to SPAUG's gurus. He's smart, knowledgeable,

informative, and entertaining. Have a computer problem or question? Present it to Hank at this meeting.
