Big SIR sez:

January, 2012

It is an honor to serve you as Big Sir this year. It will be challenging, but I am fortunate to have a group of fellow officers and board members who are very capable and willing to help me.

The challenge this year is the same as it has been the last few years – declining membership. We must begin to recruit new members at a rate greater than we have experienced in recent years. The first step in that effort is to bring a friend to lunch. Each of us can do that and we must have guests at lunch for Branch 5 to remain viable.

The Holiday Party was successful thanks to the efforts of Fred Van Kirk and Howard Trudeau, and to Sue Trudeau who provided the surprise prizes awarded in the drawing.

It's time to make your annual contribution of \$25. Treasurer Don Harryman is ready and waiting for your check – you can bring your check to the next luncheon on January 25th. The Program looks most interesting. I will meet you there.

Al Stratz—

Lunch **January 25**

Entrees: Meatloaf with Mushroom Sauce and Chicken Saute, Mashed Potatoes

SPEAKER

Lawrence Tartaglino received his Bachelor's and MBA degrees from San Jose State University. He worked in management for a multinational pharmaceutical company, owned his own business, and taught accounting and finance classes at a California community college. Since retiring, he has enjoyed developing talks and speaking on subjects including business and maritime history, and travel. His casual, engaging style has gained him the reputation as a knowledgeable speak-

er, and an exceptional storyteller. He has traveled with Princess Cruises as an Enrichment Speaker.

His talk for our January meeting is titled:

THE AMERICA'S CUP: ITS LONG ROAD TO SAN FRANCISCO

The America's Cup is the most coveted sporting trophy in the world. This program examines the men, the organizations, and the yachts that helped create the romance of the "Auld Mug". Using photographs and stories, we examine the fortunes and reputations gained and lost in pursuit of The Cup.

Message from State SIRS President, Jim Stedman

NEW MEMBER RECRUITMENT IS SUCCESSFUL BRANCHES ARE IMPROVING

Our goal was to recruit 1,900 new members in 2011. Branch leaders exceeded this goal by recruiting and inducting 2,100 new members. This is an outstanding accomplishment which puts to rest the idea that newly retired men are not joiers. They will join SIR branches that are

appealing. But this successful year is only a start.

The SIR organization fell on hard times in recent years. Overall membership declined from about 32,000 members in 1990 to about 18,000 now. 44 branches failed and closed in the last 12 years. We know why this happened. We lost our focus on maintaining a good balance of newer and older members in our branches. We did not recruit enough new members annually to maintain a good proportion of newer members and our branches became less appealing and lost members.

Our challenge now is to restore this balance. We have found that recruiting new members every year at the annual rate of at least 10% of membership is needed. We met and exceeded this goal in 2011. So when Branch leaders remind you to sponsor a new member, please respond by inviting your retired friends and acquaintances to join. Each successive year this goal is met the proportion of newer members in your branch will increase. Over time balance will be restored and your improved branch will be there for you and for those who come after you.

Topic - Editing Your Videos Speaker - Maurice Green. President, Silicon Valley Computer Society

Now that the holidays are over, many of us have videos of family celebrations. Maury will demonstrate some of the techniques that can be used with the video editing software, Pinnacle Studio 15 Ultimate, to convert your video files into DVDs. He will compare the capabilities of Pinnacle Studio to professional level programs like Avid Media and Adobe Premiere Pro. Maury is a former member of the National Press Photographers Association and a current member of the National Association of Photoshop Professionals. Note: To get on Compusir mailing list go to:
